Alumni Club at “BIZNESI” College

Aim

One of the main goals of Biznesi College Alumni Club is to support a network of alumni, which will help in raising the profile of Biznesi College.

Like most other student organizations, the Alumni Club aims to bring individuals together in order to raise their professional level together.

Involvement of alumni in such a Club, also gives the opportunity to make extensive use of mutual professional advice and guidance.

The value of career assistance only makes the cost of membership worthwhile, but alumni and the College can offer many other benefits.

A network as a committed and supportive alumni is essential to the success of an institution such as Biznesi College.

Alumni enables communication, advancement and positive career development of College graduates. Good relations with alumni bring many benefits to both the institution and the alumni themselves.

Alumni Club Activity

Alumni typically offers exclusive job postings, student educational reviews, webinars, online events, and a variety of free online videos and resources.

More detailed services, such as career counseling or career fairs for alumni only, are also available, sometimes for the benefit of a wealth of information:

- Related to experiences
- Engaging in social networks. ...
- Building an image such as Instagram invitations.
- Creating content worth sharing with Alumni.
- Collection of employment data.

The alumni network for Biznesi College turns out to be a particularly effective type of social network. This is because people often self-select in programs and faculties, Alumni also has an important role in providing a kind of marketing to support the college programs done by Alumni, which generates a higher level of interaction and coordination and collaboration of alumni and the College.

Alumni play an active role in volunteer programs such as advising students in their areas of expertise. Alumni also play an important role in the contribution for scholarships to deserving

students. Alumni get in touch with students and share their expertise and best practices in a particular field.

Job fairs are some of the activities of the Club. Other activities include mentoring programs for graduates that bring together students with alumni in similar career areas. The Alumni Club definitely offers the possibility to gain high quality information.

The Alumni Club is active and has a calendar of annual activities.

One of the things to keep in mind about the Alumni Club is that they want as many graduates as possible to succeed in their careers.

The help is mutual, the club will help use the success to help the college and the newly graduated students themselves. Successful graduates are the College's greatest asset.

Networking opportunities

One of the main goals of the Alumni Club is to support a network of alumni who, in turn, will help raise the profile of the College.

Unlike other student organizations, alumni programs are open to all graduates and offer a broader field of networking for the benefit of each newly graduated student.

Contact and membership

Students on the eve of graduation or just graduated can contact Biznesi College Alumni Club to see what kind of opportunities it offers.

Who can join:

If you are going to graduate for a few months or have just graduated, membership in the College Alumni Club is a good way to become part of the alumni.

Alumni and careers

Alumni is committed to providing most graduate students with a variety of career services. These can be everything from the aforementioned job fairs to things like resuming workshops, job postings and online resources for jobseekers.

Most of these services are provided free of charge to alumni members. These can be great tools for building a career or finding ways to maximize the benefit potential.

The Alumni Club of Biznesi College provides them with numerous educational opportunities and is not only about job offers but also about many other career offers.

The College Alumni Club is really helpful in the success of newly graduated students and it is hoped that the success of post-graduate students will promote the reputation of Biznesi College, and encourage others to consider enrolling high school graduates, which is one of the goals of the College. Furthermore, the Alumni Club is a great source of information for prospective students - which includes many scholarships (funded by donations from alumni) and the strength

of the Alumni Club at graduates of schools which can be a crucial factor for prospective students.

The Alumni Club is not only for local, but also for international students.

Biznesi College through the Alumni program and with international aspirational programs aims to spread the success of the College, and the recommendations of the newly graduated students have a significant weight for future students. So, if newly graduated students register for membership, they should be interested as soon as possible, because the College offers services, counseling, as there are many ways for the graduate club to help find themselves in the market economy.

Thus, if a way is required to maximize the potential of graduation and return to Biznesi College at the same time, then commitment to the professional benefit for young students is needed.

Career and Alumni

Career pathways for graduates, and priority support are products of the guidance program, by implementing programs that have guidance for professional services, graduates provide valuable feedback, regarding the strength of the guidance program, what works and how?

This provides as follows:

Opportunities for improvement. Many graduates serve on college and department advisory boards to help in creating programs. Alumni also provide significant support to students.

Alumni on campus showing their achievements enable students to see that success in college is possible. Alumni who are involved in mentoring have a direct role in increasing student success.

Feedback from students shows that alumni interaction increases their collegiality and experience

Alumni can also provide a vital link between graduate students and the community.

Some ways may include promoting the employment of alumni in their workplaces, partnerships with school districts and donors.

Former graduates are represented in many important economic sectors and industries.

Utilizing this network effectively and increasing engagement is very important.

Alumni will expand the joint reach with the College in industry and communities.
